## **SEG Canada Foundation - Supervisor Endorsement Form for Undergraduate Scholarship**

The Society of Economic Geologists Canada Foundation (SEGCF) awards \$1,000 scholarships to support field or laboratory work related to an undergraduate thesis in economic geology. The SEGCF Awards Committee relies on the assessment of the student by their supervisor when evaluating the application. In addition, the quality of the research proposal and the student's academic standing are also considered.

### **Eligibility**

To be eligible, a student must be either entering or in their fourth year of study at a Canadian University.

### **Supervisor Endorsement**

Complete the Supervisor Endorsement Form and email it to:
