

**SEG**  
www.segweb.org

The *SEG Discovery* is a quarterly publication that features a peer-reviewed article of topical interest to the economic geology community. Sections cover worldwide exploration and mining news, SEG member and student chapter activities, and guest columns on diverse subjects such as geometallurgy, research, and mentoring. An online and/or print subscription is included with membership of the Society ([www.segweb.org/join](http://www.segweb.org/join)).

Ads, announcements, and images should be submitted as an EPS, TIFF, or PDF. All photos should have a resolution of 300 dpi or higher.

We invite news items and short articles on topics of potential interest to the membership. Manuscripts should be double-spaced. Please submit content in a Word file via e-mail.

All contributions may be edited for clarity or brevity.
