

Clarion Hotel Cork Ireland September 17th – 19th

Irish Association for Economic Geology ZINC 2010 Conference Student Poster Session Invitation

The Irish Association for Economic Geology (IAEG) and the Society of Economic Geologists (SEG) will host a major weekend conference “ZINC 2010” at the Clarion Hotel in Cork City, Ireland, September 17th to 19th 2010.

ZINC 2010 will include a series of keynote lectures that will cover the formation of all the major classes of zinc deposits, e.g., VMS, carbonate-hosted, shale-hosted, skarn and oxides. Talks on zinc economics, zinc geochemistry and zinc metallogeny with time will also be presented by internationally recognized experts.

In addition to the keynote talks, a limited poster session will also take place during the ZINC 2010 Conference. Poster Submissions are invited from undergraduates, postgraduates and post-doctoral researchers conducting research relevant to the ZINC 2010 theme.

Submissions should follow the Instructions for Authors in the Technical Programme. These extended abstracts will be published in the Extended Abstracts Conference volume. The final poster, if accepted should fit onto a poster board, which measures 1.1m wide by 1.4m high. Guidelines for abstracts are on the ZINC 2010 website www.zinc2010.com/poster_session.html. A prize will be awarded to the best Student Poster presented at ZINC 2010.

Students interested in submitting a poster presentation should send an abstract to Matthew at students@zinc2010.com no later than August 1st 2010.
