

SOCIETY OF ECONOMIC GEOLOGISTS, INC.
CONTRACT PREFACE FOR INSTITUTIONAL SUBSCRIBERS

In 2010, electronic access to the journal *Economic Geology* will be available for an additional US\$115.00 to Subscribers who also order the print copy. Additional requirements are: (1) a static (publicly accessible) IP address, and (2) a signed contract, mailed directly to the Society of Economic Geologists by the Subscriber/End-User (not a third party). Those interested in the electronic PDF version of the 2010 subscription to the journal *Economic Geology* should note the following contract conditions. **Please do not request changes in the contract or in the requirements stated on the Preface Page.** At the nominal rate of US\$115.00, we cannot customize the contract to fit all subscribers.

1. The subscription site has been tested on a worldwide basis and is working correctly. Subscribers must provide their own IT personnel to assure that their site is configured in a manner that will allow access to the Journal Subscription Site. The receipt of an incorrect or incompatible address will result in a delay in access. In addition, the added cost of US\$50.00 per incident will be charged to the Subscriber if the information received requires additional work on the part of our IT person. (Subscriber will be notified if this is the case.)
2. The Static IP address given must not exceed 5 IP block entries defined as a single IP Class C or Class B. Class A entries will not be accepted. All IP address blocks must include the subnet mask or CIDR.
3. Access through an agency portal is not permitted.
4. Allow 30 days from receipt of IP address for entries to be made and access to be activated.
5. If one contract to cover multiple sites is desired, please contact the office for specific instructions.
6. This contract states that written permission is required for incorporation of “Licensed material in printed course packs and password-protected electronic reserve collections...” Requests for permission are available by E-Mail at subscriptions@segweb.org or Fax at 720.981.7874, and will be handled promptly.
7. This contract is strictly between the Society of Economic Geologists and the Subscriber/End-User, and must be mailed directly by the Subscriber/End-User to our office.

TERMS AND CONDITIONS

2. IP Address

Static Internet Protocol (“IP”) address for the Subscriber and its Authorized Users as defined below are indicated in Section 1.

3. Authorized Users

SEG grants a non-exclusive, non-transferable license to the Subscriber and Authorized Users at the Authorized Site for online access to Economic Geology for which the Subscriber maintains a current subscription to the print and online version thereof. This grant extends only to the Subscriber and such Authorized Users individually and may not be transferred to, or extended to, others. For purposes of this Agreement, “Authorized Users” means only employees, faculty, students, researchers, librarians, executives or employees of the Subscriber, and may also include users from the general public or business invitees who are permitted by the Subscriber to access Economic Geology from designated terminals on a Subscriber-controlled IP address at the Authorized Site using an IP address identified in Section 1. For purposes of this Agreement, “Authorized Site” means a localized site (one geographical location with a 5-mile radius) that is under a single administration. For an organization with locations in more than one city, each city is considered to be a different site. For an organization that has multiple locations in the same city, each location is considered to be a different site. The Subscriber is responsible for undertaking reasonable measures to prevent access by unauthorized persons to its IP addresses, and to ensure that authorized users observe the terms and conditions that are set forth in this Agreement. The Subscriber shall be responsible for access control and security measures necessary to ensure that the Subscriber’s IP address is not used to access Economic Geology by other than Authorized Users. Furthermore, the Subscriber will make every attempt to enforce the terms of this License upon receiving information from SEG or any other source that reasonably indicates that one or more Authorized User is in violation of the terms of this License. The foregoing includes but is not limited to activity that may burden SEG’s server such as computer programs that automatically download Content.

4. Permitted Use

The Subscriber and Authorized Users are permitted online access to Economic Geology and may download, save, or print text, search results, or other information from Economic Geology solely for the private use or research of the Subscriber and the Authorized Users. The Subscriber and Authorized Users may only use this online access in a way that conforms to all applicable laws and regulations. SEG grants the Subscriber and Authorized Users permission to use brief excerpts, figures, and tables from the content of Online Journal articles with the appropriate credit of the source, and to copy and transmit content from individual Online Journal articles with third parties to the same extent as the print edition of the Online Journal or as permitted under the fair use provisions of the U.S. Copyright Act, subject to the restrictions, if any, set forth in any article included in an Online Journal. The Subscriber may, with written permission from SEG, incorporate parts of the Licensed Materials in printed course packs and password-protected electronic reserve collections for the use of Authorized Users in the course of instruction at the Subscriber’s institution, but not for commercial use. Each such item shall carry appropriate acknowledgment of the source. Copies of such items shall be deleted by the Subscriber when they are no longer used for such purpose. The Subscriber specifically agrees that use by the Subscriber or Authorized Users other than indicated above is a violation of the terms of this Agreement.

5. Prohibited Uses

Altering, recompiling, copying, reselling, redistributing, publishing or republishing (beyond the brief excerpts, figures, and tables, course packs and password-protected electronic reserve collections permitted under Section 4) of any journal text, output, search results, or other information from the Online Journal, including, without limitation, copyright, trade secret, proprietary, and/or other legal notices contained therein, in any form or medium is prohibited. Systematic downloading, service bureau redistribution services, printing for fee-for-service purposes and/or the making of print or electronic copies for transmission to non-subscribers or non-subscribing institutions are prohibited. Downloading portions of Economic Geology for the purpose of creating pre-loaded local copies (not including transient, dynamic caches of individually requested material) for redistribution is prohibited. All rights not expressly granted are reserved to SEG. The Subscriber and Authorized Users agree that they will not circumvent SEG's access control systems. SEG shall not be required to distribute, and Subscriber shall not redistribute Economic Geology to a country where the export thereof is prohibited by U.S. law or regulation.

6. Duration of Agreement

The Subscriber agrees to pay SEG the appropriate License fee specified on the invoice for a term of one calendar year starting on January 1 of the current year and ending December 31. Upon receipt of a completed, signed Agreement, access to the journal database will be activated. All License fees must be paid before activation of service. This Agreement will remain in effect while the Subscriber maintains a current paid print and online subscription to Economic Geology. This Agreement will terminate:

A. Subject to b. and c. below, if the print and online subscription lapses (termination is effective at the end of the paid subscription period). A thirty day grace period will be provided for online access only.

B. If either party breaches a term of this Agreement, the other may send written notice of the breach, including a reasonable cure period not less than 15 business days. If the breach is not cured within that time, or if the parties do not reach a satisfactory agreement on extending the cure period, then the non-breaching party may terminate this Agreement effective immediately upon written notice.

C. Following thirty (30) days prior written notice by SEG of any change in the terms of this Agreement, receipt by SEG of notice from the Subscriber in writing, by e-mail, or by fax that the Subscriber accepts such change(s), SEG's new terms shall apply. This Agreement shall renew automatically for the term of any print and online subscription upon receipt by SEG of payment for the subscription.

7. Copyright

Economic Geology and its contents, including abstracts, are copyrighted by the Society of Economic Geologists, Inc. under the Copyright Law of the United States (Title 17, U.S. Code), which is party to both the Universal Copyright Convention and the Berne Copyright Convention, and are subject to all applicable copyright, database protection, and other rights of SEG as copyright owner and publisher under the laws of the United States and other countries. Subscriber and Authorized Users agree not to remove or obscure copyright notices. This license grants no copyright or ownership interests to Subscriber or authorized Users for any of the material and proprietary information referred herein belonging to SEG.

8. Failure of Performance

Following online access approval, the Subscriber and Authorized Users will be permitted to attempt online access to Economic Geology at any time. SEG, however, will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure, or other failure of performance whether such failure of performance is caused by SEG or an outside service provider contracted with SEG. SEG will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such correction. SEG's responsibility to the Subscriber and Authorized Users does not extend beyond such efforts.

9. Official Version of Record

SEG will use commercially reasonable efforts to ensure that the Online Journals correspond in content with the related Print Journal but SEG does not guarantee that they do. In the event of any discrepancy between the print and online version, the print version of the journal will be the official version of record.

10. Archival Copy

On termination of this Agreement, SEG shall provide continuing access for the Subscriber to that part of the Online Journals which were published and paid for within the subscription period, either from electronic online access or by supplying electronic files or CD-ROMs to the Subscriber or by permitting the Subscriber upon request to create one (1) copy of such content, except where such termination is due to a breach of the Agreement by the Subscriber and which the Subscriber has failed to remedy as provided in Section 6.b.

11. SEG Statistics and Privacy of Authorized User Information

SEG recognizes the importance of protecting the privacy of Authorized User information collected by SEG. SEG will not collect personally identifiable information unless the information is willingly provided to SEG by SEG visitors. Any usage data compiled by SEG will be collected by a method consistent with applicable privacy laws and written confidentiality requirements of this agreement. The anonymity of individual uses and the confidentiality of their searches shall be fully protected by SEG. SEG will not release or sell statistical usage of information about the Subscriber without the Subscriber's permission. All individual usage data, such as number of searches or articles downloaded, will be used for SEG's private internal use only.

12. Disclaimer of Warranties Limitation of Liability; Indemnification

SEG warrants that it is entitled to grant the Subscriber the license granted in this Agreement. EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, ECONOMIC GEOLOGY IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO WARRANTIES OF PERFORMANCE OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR WARRANTIES AS TO THE ACCURACY OR COMPLETENESS OF THE ONLINE JOURNALS. ARE DEEMED TO RESULT FROM THE FAILURE OR INADEQUACY OF ANY EXCLUSIVE OR OTHER REMEDY. In no case shall the Subscriber's liability or the Publisher's liability exceed the amount of license fees paid during the 12-month period preceding any claim or notification of damages. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness or other remedies. No claim may be made against SEG unless suit is filed thereon within one (1) year after the event-giving rise to the claim. The Subscriber assumes sole responsibility for all use of the Online Journals by each Authorized User and by the Subscriber.

13. General Provisions

The Subscriber may not assign or transfer its rights or obligations under this Agreement except with the prior written consent of SEG. The Subscriber must pay any local taxes, (including but not limited to any applicable Value Added Taxes, Sales Taxes, and Import Taxes), arising out of the Subscriber's use of the Online Journals and/or the rights granted under this Agreement. The provisions of Sections 3, 4, 5, 7, 9, 10, 11, 12, and 13 hereof shall survive any expiration or termination of this Agreement. If any provision or provisions of this License shall be held to be invalid, illegal, unenforceable, or in conflict with the law of any jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be in any way affected or impaired thereby.
