Explanation of Membership Benefits for 2018

BENEFITS FOR ALL MEMBERSHIP TYPES

All members are eligible for discounts of at least 20% on the purchase of SEG publications, including electronic documents (e-Docs), and significantly reduced registration fees (*especially for students*) at conferences, courses, and field trips sponsored by SEG. Please note that any changes you make to your membership category are effective immediately. Members can keep informed of SEG news and events by following us on Facebook, Twitter, and LinkedIn.

Member-only content:

- The benchmark journal, *Economic Geology*, with full access to the complete archive of 9,000 articles (from 1905). Content is optimized for mobile devices.
- The *SEG Newsletter* (from April 1990).
- The *SEG Membership Directory* (search by name or location).
- E-mail alerts for publication releases including Table of Contents for *Economic Geology*.
- Use your discounted pricing at the SEG Store containing a complete listing and description of SEG publications.

Note: SEG dues are based on the calendar year (January to December).

GEOFACETS

SEG continues to offer annual fee-based access to scientific maps published in *Economic Geology* from 2000 to present through Geofacets. This intuitive interface enables an efficient assessment of a region's geologic characteristics and mineral potential, and will serve as a strong complement to our existing archive of more than 9,000 articles of *Economic Geology*. *Geofacets-SEG Millennium Edition* will operate similar to the *Geofacets Corporate Version* but with a select database of maps geared to the minerals industry. To learn more, visit www.segweb.org/geofacets. [US \$49/year]
