

SEG Mentor

Nick Callan

	<p>Contact Information</p> <p>Camino al Volcan 11558 San Jose de Maipo Santiago, Reg. Metropolitana, Chile</p> <p>+56-2-28710173 njcallan@yahoo.co.uk</p>
<p>Current Position and Focus (areas of research and/or interest in economic geology)</p> <p>Independent Consultant Specializing in high-quality geological mapping/targeting in mineral deposits and hydrothermally altered systems, and offering in-field training in geological mapping techniques)</p>	<p>Relevant Education/Work Experience</p> <p>BA. (Hons.) Oxford University, 1985 MSc. University of Toronto, 1988 1988-2002: Project/Senior geologist positions: (Geddes Resources, Queenstake Ltd., Cominco Ltd, AngloGold-Ashanti) 2002 to present: Consulting geologist (Americas, Asia, E. Europe, New Zealand)</p>
<p>Hobbies and Interests</p> <p>Music, stained-glass, anything to do with aviation</p>	<p>Nationality</p> <p>British, Canadian</p>
<p>SEG Activities (e.g. positions held, former student membership details)</p> <p>SEG Member SGA Member</p>	<p>Personal Philosophy on Mentoring</p> <p>As a student and early on in my exploration career I was very fortunate to have worked under the close guidance of some top researchers, experienced senior geologists and very astute managers. What made these people so pivotal in my career development was not only their phenomenal knowledge of mineral deposit geology and the mining business in general, but their willingness and tremendous enthusiasm in passing on that knowledge. I believe future generations of successful exploration geologists will continue be nurtured in the very same way.</p>
<p>Languages Comfortable Communicating With</p> <p>English, Fluent in Spanish</p>	<p>Other Relevant Information</p> <p>Some of the exploration related services I offer, including geological mapping training, can be seen at my website: www.nickcallangeological.com I can also be contacted via the website.</p>
