

SEG Canada Foundation

SEG Canada Foundation - Supervisor Endorsement Form for Undergraduate Scholarship

The Society of Economic Geologists (SEG) Canada Foundation (SEGCF) awards \$1,000 scholarships to support field or laboratory work related to a senior thesis in economic geology. The SEGCF Awards Committee relies on the assessment of the student by their advisor when evaluating the application. In addition, the quality of the research proposal and the student's academic standing are also considered.

Eligibility

To be eligible, a student must be either entering or in their fourth year of study at a Canadian University.

Supervisor Endorsement

Complete the Supervisor Endorsement Form and email it to:

segcanadafoundation@gmail.com

Deadline

Completed Applications must be received by **September 30th**, awards announced October 31.
