Student Chapter Annual Report Guidelines

Annual Reports are used to summarize the chapter activities over the past year and should include relevant items as outlined below. Annual Reports are used to keep chapter information up-to-date on the SEG website. They are included with Stewart R. Wallace Funding applications and play an important role in the evaluation process for funding.

Annual Reports should include the following, as separate attachments:

- **Student Chapter Annual Report Cover Page** (page 2 of this document)**
- A list of names of all Student Chapter members who were part of the chapter during the time frame captured in the report. Please indicate by an asterisk (*) next to each name, those who are SEG student members.
- A complete [Student Chapter Membership Information](#) form (SCMIF) with the current Executive Committee listed on page 1, and all other current members listed on pages 2 and beyond.
- A summary of student chapter activities for the past year; information may include any/all applicable items listed below:
 1. Regular meetings, lectures
 2. Field trips (dates, area visited, field trip leaders, number of participants, sponsors, benefits for students).
Note: this is not the place for a detailed field trip report that is required from a chapter who has received funding from the Stewart R. Wallace Fund.
 3. If your chapter received funding from the Stewart R. Wallace Fund, please submit a separate financial breakdown of how chapter funds were spent/used.
 4. Organization of conferences, workshops, short courses (theme, number of participants, benefits for students)
 5. Participation in conferences, workshops, short courses (theme, number of participants from the chapter, benefits for students)
 6. Fund-raising programs
 7. Other programs
 8. Future plans

Images and figures are highly encouraged in chapter reporting but must be in a format appropriate for publishing on the SEG website. By submission, you have granted permission for use of any images or figures on an SEG social media account, or newsletter, or other publications, but it may be necessary for us to request a high-quality version of the file.

**Please be sure to:

- Check the SEG website www.segweb.org/studentchapter for current information for your chapter and indicate updates where applicable:
