## Nationality

Canadian

## SEG Activities (e.g. positions held, former student membership details)

None, I am a rookie with respect to involvement with SEG but have been active with CIM and national and local levels.

## Personal Philosophy on Mentoring

Geoscientists of my "vintage" need to impart useful exploration knowledge to the geoscientists of the future. Some thoughts... There is no such thing as a dumb question! I am open to all avenues of geoscience discussion. I'll let you know when I do not have the answers.

## Languages Comfortable Communicating With

English

## Other Relevant Information

I'm looking forward to many useful geoscience discussions!
