+30 Years Exploration Industry Experience in
Australia, SE Asia, South America, FSU

Hobbies and Interests

Fishing

Nationality

Australian, Canadian Resident

SEG Activities (e.g. positions held, former student membership details)

SEG Fellow

Personal Philosophy on Mentoring

My experience is industry focused with an academic background, so I enjoy encouraging geologists to apply new and innovative ideas to exploration. Also, with 30 years in the industry, I know what an exciting but demanding life exploration is, so I'm a good sounding board for those times when geologist's private lives and work don't quite seem to mesh.

Languages Comfortable Communicating With

English
