## Current Position and Focus (areas of research and/or interest in economic geology)

**Position:** Exploration Geologist at Altus Strategies

**Focus:** Altus is an African-focused 'project generator' which is an exploration business that owns a portfolio of numerous projects diversified by both commodity and jurisdiction. I have worked on various deposits, primarily those hosting base and precious metals (incl. Cu-Ag-Au, Sn-W) contributing to grassroots and greenfield exploration programmes from early stage mapping and prospecting through to reconnaissance drilling campaigns.

## Relevant Education/Work Experience

### Education:

- ❖ MSc Mining Geology  
Camborne School of Mines (2015-16)
- ❖ MSci (Hons) Geoscience  
Royal Holloway, University of London (2010-14)

### Past Experience:

- ❖ Exploration Geologist at Altus Strategies
- ❖ Oil & Gas Analyst at Deloitte
- ❖ Mine Geologist at Anglo American
- ❖ Exploration Geologist at Australian Bauxite

## Hobbies and Interests

Umpire for England Hockey; Science Communication

## Nationality

UK

## SEG Activities (e.g. positions held, former student membership details)

SEG Student Member at Camborne School of Mines  
Fellow of the Geological Society of London  
Graduate of the Aus. Institute of Mining & Metallurgy

## Personal Philosophy on Mentoring

As a mentor, I would aim to offer independent and objective advice that is tailored to the mentee (based on my own knowledge and experience) in the hope of instilling confidence and subsequently enabling them to make well-informed decisions during their career.

## Languages Comfortable Communicating With

English
