## Current Position and Focus (areas of research and/or interest in economic geology)

Divisional Manager: Applied Geosciences

I am involved with teaching and training of a number of courses including Geostatistics, Sampling, Technical Report Writing and QAQC for the mining industry professional.

As part of my current role I undertake audits and due diligences as well as write and sign off as CP/ QP on the relevant sections of CPR, NI 43 101 and IGR documents.

## Relevant Education/Work Experience

I have consulted for 10 years in a variety of commodities, including but not limited to gold, copper, phosphate, potash, uranium and graphite.

I am in possession of the following qualifications:

- BSc (Honors, Geology)
- Post Graduate Diploma in Terrain Evaluation
- Graduate Certificate in Business Management
- Citation in Applied Geostatistics
- Graduate Certificate in Geostatistics
- MSc (Mineral Resource Management)
