Current Position and Focus (areas of research and/or interest in economic geology)

Associate Professor and Altius Research Chair in Mineral Deposits - field-based studies of mineral deposits, volcanic and alteration facies mapping, geological mapping, lithogeochemistry, radiogenic isotopes, geochronology, volcanogenic massive sulfide deposits and other deposit types, tectonics and metallogeny, and industry-academe interaction and knowledge transfer.

Relevant Education/Work Experience

B.Sc. (Hons.), M.Sc. – Memorial University

Ph.D. – University of British Columbia

Assistant Professor (2001-2004) and Associate Professor (2004-2008) – Mineral Exploration Research Centre (MERC) and Department of Earth Sciences, Laurentian University

Principal, SJPGeoConsulting (2008-2009)

Hobbies and Interests

Music, baseball, history, and politics

Nationality

Canadian

SEG Activities (e.g. positions held, former student membership details)

SEG Student Chapter president – UBC (1998-1999, 1999-2000)

Fellowship Admissions Committee (2005-2007)

Graduate Student Fellowships Selection Committee Member (2007, 2008)

Associate Editor, *Economic Geology* (2008-present)

SEG Councillor (2009-present)

Personal Philosophy on Mentoring

I have been very fortunate to have been mentored by numerous individuals that have greatly influenced and benefited my career. SEG has provided many opportunities for me and I feel it important to give back to this organization and to younger geoscientists.

Languages Comfortable Communicating With

English
