Red Dog Creek, western Brooks Range, Alaska, in 1979, prior to drilling or mining. Ground water seeping from the Red Dog deposit stained the creek red. It was this stain that attracted the attention of pilot Bob Baker and that led, eventually, to the discovery of the deposit.
Contents

Preface:

Richard W. Hutchinson and Richard I. Grauch 1

Genetic Concepts:

Concepts of the Genesis of Sulfide Nickel-Copper Deposits: A Historical Review

Heikki Papunen 3

Volcanic Sedimentary Rock-Related Metallogenesis in the Kiruna-Skellefte Belt of Northern Sweden

Tibor Parádi 20

Genetic Concepts for Iron-Formation and Associated Metalliferous Sediments

Gordon A. Gross 51

Understanding Volcanic Massive Sulfides—Past, Present, and Future

R. L. Stanton 82

A History of Theoretical Developments in Carbonate-Hosted Base Metal Deposits and a New Tri-Level Enthalpy Classification

Michael J. Russell and Hilde Skau 96

The Evolution of Ideas about the Genesis of Stratiform Copper-Silver Deposits

E. Craig Jowett 117

The Changing View of Resource Availability

John E. Tilton 133

The Sources of Witwatersrand Gold and Uranium: A Continued Difference of Opinion

D. A. Pretorius 139

Auriferous Archean Greenstone-Sedimentary Belts

R. W. Boyle 164

Porphyry Copper Deposits

John P. Hunt 192

Model Development: Porphyry Molybdenum Deposits

Stewart R. Wallace 207

Evolution of Genetic Concepts for Principal Types of Sandstone Uranium Deposits in the United States

Samuel S. Adams 225

A Historical Perspective on the Nature and Genesis of Epithermal Gold-Silver Deposits

Byron R. Berger 249

The Economics of Gold—November 1988

G. Milling-Stanley 264

Case Histories:

Red Dog, Alaska: Discovery and Definition of a Major Zinc-Lead-Silver Deposit

George F. Koehler and George D. Tikkanen 268

The Discovery of Serra dos Carajás

J. F. Machamer, G. E. Tolbert, and R. L. L’Esperance 275

The Discovery of the Kambalda Nickel Deposits, Western Australia

J. J. Cresham 286

The Sleeper Gold-Silver Deposit: Discovery through Feasibility

John D. Wood and Stanley K. Hamilton 289

The Discovery of the La Escondida Orebody

J. David Lowell 300

A Case History of the Neves-Corvo Massive Sulfide Deposit, Portugal, and Implications for Future Discoveries

Delfim de Carvalho 314

A Case History of the Development of the Misima Gold-Silver Mine, Papua New Guinea

G. I. Wilson and R. C. Barwick 335

Anatomy of a Discovery: The McLaughlin Gold Mine, Napa, Yolo, and Lake Counties, California

Donald L. Gustafson 350
